

High School Courses & Credits

2024/2025 school year

Course content consists of main lessons given over a 4 or 8 week period. Each year provides an opportunity to receive 7 credits; meaning at the end of the four year journey your child will have 28 credits. Every main lesson incorporates fine art as a lesson requirement. Students must complete and submit assessments to the portal with a grade of at least 70% to receive credit.

Every family is encouraged to engage in additional extracurricular activities to round out their transcript. Sports and other classes all count!
